

PREPARE NOW FOR **THE GREAT WARNING** OF GOD'S MERCY

It is difficult for many people today to seek or accept God's mercy. God understands, so very soon Jesus will make Himself known in a global miracle of mercy, with two signs — one exterior and one interior. Get ready.

Jesus wants us to tell the world right now that this imminent divine event of The Warning is being granted by God to save them. By simply knowing and accepting that this event will, or even may, take place, they can survive it. Do not fear.

The whole world will soon see that the divine prophecies in the Book of Revelation are upon us in this generation. All the prophecies of La Salette, Fatima, and Garabandal, and as foretold in St. Faustina's Diary, will now unfold in the next months and years. But there is nothing to fear because the coming Great Warning event will be the greatest gift God will give humanity today in order to 1) save the whole world from Hell; 2) combat the prophesied now-unfolding Great Apostasy in the Church; 3) thwart the agenda of the New World Order and the coming supreme religious deception of the Antichrist (Catechism #675); 4) directly prepare the world for the Second Coming of Jesus Christ; and finally 5) lead the world toward the new terrestrial Paradise, the New Divine Kingdom, and the millennial Era of Peace.

THE GREAT WARNING IS IMMINENT!

Today, right now, we are at the cusp of an explosion, of that of the greatest miraculous event in history, that will see God's Mercy poured out over the whole world, and all at one moment, to every person on earth, which when it occurs very, very shortly, but not until things are at their worst, will change the face of the earth forever and redirect humanity.

And it is important that you and your loved ones know that God wants you to know about this event now before it happens. Through St. Faustina, Jesus spoke most clearly what His gift of The Great Warning of Mercy is all about saying: "BEFORE I COME AS THE JUST JUDGE, I AM COMING FIRST AS THE KING OF MERCY."

WATCH FOR THE SIGNS GOD WILL SEND BEFORE THE GREAT WARNING!

According to God's prophecy, as the Great Warning approaches, God will reveal a number of signs to indicate its arrival, including:

1. There will be signs in nature in the sun spinning and pulsating, and there will be unusual weather patterns.
2. Just as the Warning is about to occur, people will see in the skies two objects of a supernatural source – appearing like two suns, like two stars, like two comets – that will collide, as a supernatural event, and a great red sky will result.
3. Then, the Cross of Jesus will appear in the skies, seen all over the world by everyone, and not one person will fail to notice, and then from the openings where the hands and the feet of the Savior were nailed will come forth great lights which will light up the earth for a period of time.
4. Then the skies will be peeled back to reveal the fires, flames and rays of Jesus' Mercy that will cover the whole earth.
5. And then the earth will experience a great shaking, like an earthquake; not a physical earthquake but a spiritual one.
6. Finally, after the sound of thunder is heard, a quiet calm will then descend over the earth and there will come a great worldwide silence for about 15 minutes.
7. Then the interior mini-judgment, an illumination of conscience, itself will take place. No sound will be heard except the Voice of Jesus within every person's soul (over the age of reason) where He will reveal to each person the state of their soul as if they had died and were being judged by God's justice in truth to Heaven or Hell. But all will be given a second chance. While some will rejoice already in God's grace, others will be shocked and sorrowful for their sins, and some will even die from shock before they have a chance to repent. And it is these people who need our prayers now!
